Subject – Celebration of World Environment Day on 5th June 2023 under Eco Club

Dear Teachers & Students

All are hereby directed to assemble on ground floor on 5th June 2023 at 11:00 am to celebrate "World Environment Day".

Theme for the World Environment Day 2023 is under the campaign #BeatPlasticPollution, 'Ecosystem Restoration'. It is a reminder that people's action on plastic matters as the material is slowly seeping into our oceans, soil and forest and causing irreparable damage.
