Subject : Advisory regarding Examinations

Dear Students,

As we are in the midst of our ongoing examinations, we would like to remind you of the importance of adhering to the exam schedule and guidelines set forth by the university.

We would like to emphasize that it is crucial that no student makes any plans/outstation plan that could potentially interfere with their exam schedule. Any notifications received from the university regarding changes in exam dates or rescheduling should be strictly followed.

It is important to note that the college cannot be held responsible for any issues that may arise if a student fails to attend an exam due to their own personal commitments or negligence.

We understand that this is a stressful time for all of our students, but we urge you to prioritize your academic responsibilities and ensure that you are fully prepared for each of your exams. Your success is our top priority, and we are here to support you every step of the way.

Best of luck for your exams!

Dr. Madhu Aggrawal
Director
